

## Account Preparation

One of our core services, we specialize in preparing a variety of accounts including year-end, monthly or quarterly reports, balance sheets, budget analysis and forecasting for:

- Self employed
- Contractors/Sole Traders
- Partnerships
- Small businesses,
- Limited companies
- Charities
- LLPs,

We deal with all the compliance required for your business for Companies House filling and/or for HM Revenue and Customs. We can help you prepare the tax computations and account that would be required for the course of your business.

With our specialized and up to date knowledge you can be assured that all your accounting needs will be fulfilled with Shahidullah & Co.
