

Profile

Mohammed Shahidullah is the founder of Shahidullah & Co, which he established in 1993 after receiving his qualification as a Chartered Certified Accountant. Prior to his arrival in the UK, he graduated with a Masters degree in Accountancy from Dhaka University in Bangladesh. He is now a Fellow member of the Association of Chartered Certified Accountants.

Mohammed has a wealth of experience in accounting, taxation, financial planning and business management. He has a wide portfolio of a large variety of domestic and international clients. He welcomes all types of business and treats all his clients with equal same importance.

With an extremely friendly and calm approach, Mohammed Shahidullah is always keen to help his clients to the best of his ability. He gives honest and professional advice. With a hand on approach he likes to get involved with each and every one of his clients' business. You will feel comfortable with his services.
